JOIN WITH A FRIEND AND SAVE ON YOUR DUES!

Help strengthen our Y community by inviting your friends to join. After all, the YMCA is more fun with a buddy!

HOW IT WORKS:

1. Buddy up with a friend! When you join, you both receive 20% off your monthly membership fees for a continuous 12 month period and split the one time join fee. Offer cannot be combined with other programs or other promotions.
2. You and your friend will keep the monthly incentive as long as you both remain members within that year. Should one of you leave the Y, the other will have 30 days to find a new referral to continue receiving the discount.
