GROUP EXERCISE CLASS DESCRIPTIONS

BARRE ABOVE - This is a unique class designed to build strength and flexibility. The moves fit perfectly together to form a class filled with intense choreography that's fun, challenging and will make you sweat. Think lean toned legs, increased overall core strength and greater stability.

CLASSIC FITNESS - Music from the 60's, 70's and 80's is used to motivate participants in this rhythmic exercise format. Easy to follow, enjoyable motions and patterns to raise heartrate, break a sweat and bring a smile.

ENRICH - Safe, low impact aerobic exercises aimed at helping in rehabilitation from chronic conditions and injuries as well as improving the quality of life of older adults and physically limited individuals. This class utilizes light hand held weights to help with building strength and bone density.

DANCE FITNESS - Exercise that engages the entire body and mind. Learning choreography and keeping your brain active addresses your heart, circulation, balance, muscles and joints. Dancing with us burns a TON of calories, and its FUN! There are a variety of routines encompassing many genres of music. Dance Fitness accompanies both beginners and experts. Come try it out!

CARDIO & STRENGTH - A cardio blast of rhythmic motion and variety of ways to enhance your strength and balance. Every class will be a new and exciting mixture of fun, sweat, and music!

GROUP CYCLING - A low impact group exercise class performed on stationary bikes. During the class, the instructor simulates hills, sprints, and races. You will be kept motivated by the instructor, the people around you, and the great music.

LES MILLS BODYPUMP® - This results-driven barbell class by Les Mills provides a workout that will strengthen all your major muscle groups by using the best weight-room exercises in a group setting. Be prepared for squats, presses, lifts and curls like you've never seen them before! Smart Start - Les Mills has conducted in-depth research into beginners' adherence to exercise, and knows that the key to great results is starting slowly. This means giving new people the option to leave after the first 20 minutes.

LES MILLS BODYCOMBAT® - A high-energy martial arts-inspired workout that is totally non-contact. Punch and kick your way to fitness. No experience needed. Learn moves from Karate, Taekwondo, Boxing, Muay Thai, Capoeira and Kung Fu. Release stress, have a blast and feel like a champ.

PILATES - This workout focuses on your body's core. Focuses on breathing, body control, flowing movements, stretching and precision. A strong core is beneficial to your back and better posture.

STRENGTH & CONDITIONING - Improve overall fitness by combining resistance training exercises organized in challenging sets with a bit of cardio mixed in. This full-body workout is multi-level with modifications shown using a variety of resistance equipment.

TABATA - This class utilizes extreme intervals to get you into great shape. Aerobic capacity, endurance, strength, and whole body toning are just a few of the benefits of this exciting and challenging class.

HIIT (High Intensity Interval Training) - Using high intensity time intervals, this workout allows for maximal cardio gain without loss of muscle mass. The full body workout will be modifiable for all ages and allow for people of any level to be challenged in a healthy way!

STEP & STRENGTH - A mix of old-school step aerobics, cardio, and toning moves for a total body workout.

CIRCL - Round out your fitness routine with a 30-minute workout hosted by a Zumba® instructor. Unlock the body's potential with a workout based on the science of functional movement. CIRCL Mobility™ focuses on flexibility, breathwork, and mobility exercises.

SCULPT & SHAPE - Blend of Pilates, Barre, and Yoga that uses low impact, high intensity movements to build and sculpt muscles. With the use of body weight, you move at your own pace to build strength and better alignment for your body.
